S. AREIBI

Director,
if this course is going to continue to be
offered to MECH's, then it should be entered a
bit more to MECH's, not just ES&C's.
S. AREIBI IS THE IDEAL & PERFECT Prof!

Shawki Araibi - Great Professor,
extremely well spoken, involved the class in what could
otherwise be a very dry class. He did a very good job of
making it interesting.

Dr. Shawki Araibi

- Labs/Assignments did end up taking a lot of time to complete, but all of them
worked very nicely in the course
- Really enjoyed coming to class, and learning the material
- Professor made everything interesting. One of my favorite profs

Great Professor very likable and understandable, only
criticism is slightly too much material covered, ie went
to fast through basics (Yes, im Mech Engg.)
