-I'm sure you get this every year but the big one
assignments every week are a bit of work for
the mark value
-Having said that - taking the assignments seriously is the
main reason I did well on the mid term so very worthwhile.

labs are too long & I think should be individual because only 1 person can code at a time. Also the beginning of the course is much easier than the end & should be more balanced.

pre labs are long... maybe more instruction for prelabs?
midterm & assignments were good
in terms of marking; i'm not a fan of the binary
"correct-or-wrong" marking technique. Overall great
course!.
